
Position: Programmer Analyst_Pensacola-FL

Location/Department: Pensacola, FL / Technology Services Group®

.NET Support needed in Pensacola, FL

Basic Qualifications: Prefer Bachelor's with four (4) years related experience within the last five (5) calendar years or eight (8) years in lieu with H.S. Diploma.

Experience should include use of system utility software, data management software (including relational database management systems) and/or conventional languages.

Develop and conduct testing to demonstrate the accuracy of interfaces between programs, databases and systems. Software developed must conform to the Privacy Act, security standards and established coding conventions. Must be familiar with Software Development Life Cycle and Configuration Management.

Prefer at least 3 years experience in .NET/VB development. Oracle; building, modifying and maintaining tables, procedures, functions and triggers. SQL server 2005/2008 experience a plus.

DoD 8570 mandated certifications are preferred. Microsoft Certified Solution Developer (MCS D) and/or Microsoft Certified Professional Developer (MCPD) certifications are a plus.

Key Competencies: MS Office, .NET/VB, JavaScript, Oracle and/or SQL

Clearance: Possess or able to obtain and maintain a SECRET Clearance.

Individuals who qualify for and are selected for this position, and do not currently live in the area, must be willing to pay their own expenses to relocate.

Working at TAG

Since 1984, Technology Advancement Group, Inc. has been an innovator in driving the IT industry to develop new products and is a leader in advanced hardware solutions for the rugged tactical IT arena. Our objective is to achieve the highest possible levels of service, delivery, and customer satisfaction consistent with our clients' requirements. As a privately held company and not a subsidiary or division of any other organization, TAG is able to proactively meet our clients' needs while simultaneously building our employees' careers.

Culture

Our positions offer a unique opportunity to join a growing, dynamic company that is partnering with government to help ensure national security. We encourage innovation, creative thinking, and team player attitude. Come work in a professional environment that promotes corporate and personal growth yet fosters balance. Through your skills, creativity, and commitment to excellence, you can contribute to our country's national defense and have a great time doing it!
